RECREATION SPECIALIST COMMENDS COUNCIL ON WESTLAKE PARK SITE

A letter from the State Recreation Commission, reporting on an inspection by one of its specialists on the proposed park site in Westlake subdivision, highlighted the regular meeting of the city council Monday night.

Addressed to Mayor A. J. Gaggero, the letter said, "You and the city council are to be commended on your long-term planning for the acquisition of recreation and park areas for the present and future population of Daly City."

Signed by Gladys Snyder, recreation specialist, for Sterling S. Winans, state director of recreation, the inspection report listed the following advantages of the park site:

"1. It is centrally located in the Doelger tract.

2. It is accessible from two paved streets.

3. The varied topography and the stand of full grown Monterey pine and cypress provide natural beauty which otherwise could be attained only through expensive landscaping and years of tree growth.

4. The available water supply is an asset for convenience, economy and safety.

5. The site has possibilities for immediate use by Daly City residents. With some clearing of underbrush, laying of water lines and installation of small fireplaces, the site could be used as a family picnic area and as a

Tanforan Opens Tuesday, Nov. 2nd for Fall Meeting

Historic Tanforan, dating back d the glamorous Gay Nineties in rf tradition but attired in the shionable new look of 1948 in mfort and decor, opens its long-aited fall meeting of thorough-ed racing at San Bruno next Tuesday, November 2, in spectac-ar style, featuring a thrilling ght race program topped by the 0,000 added Peninsula Stakes.

Post time for the inaugural card d for 41 days thereafter will be 30 p.m., according to General anager Fred H. Ryan. With the ncidence of Election Day, a owd of over 20,000 is expected to tend the gala reopening of the toric Peninsula plant, which is lifornia's oldest active race urse.

Patrons who recall the incom-ete Tanforan of last year will scover a completely remodeled ant, and will find their accom-odations bright and clean, wheth-they be guests of the cheery ub house, the spacious grand-and or the gay turf club. Seating, agering, concession and sanitary cilities have been thoroughly re-ilt to conform with the highest andards."

Vote "YES" On Annexation

Next Tuesday, Daly City voters, along with citizens throughout the nation, will go to the polls for the 1948 General Election. They will choose, in a free democracy, the President of the United States and will cast their preference on a number of other matters important to the people of Daly City.

THE LAST ITEM ON THE GENERAL ELECTION BALLOT IS ONE THAT IS OF TREMENDOUS IMPORTANCE LOCALLY.

Entitled "CITY OF DALY CITY PROPOSITION B," it gives people the opportunity of voting on whether or not Westlake sub-division shall become a part of Daly City.

Your elected representatives on the city council have already approved this annexation.

Hundreds of your neighbors and friends are also supporting a "YES" vote on Proposition B, as it is in the best interests of you, your children and your city.

The present city limits of Daly City already extend for 200 feet west of Junipero Serra boulevard. Therefore, the City of Daly City must provide traffic protection and administration of Junipero Serra boulevard.

YOU SHOULD VOTE "YES" ON PROPOSITION "B."

If Westlake is not annexed, what will happen?

Westlake and Broadmoor will then incorporate a new city, and their population will cause heavy traffic on Junipero Serra. Daly City will then realize no revenue from the new population, but will be

Vote "NO" On Proposition 'A'

County Proposition "A" also appears on the General Election Ballot—it is next to the last item on the ballot.

Proposition "A" is an attempt by certain southern county interests to do away with the elective position of County Executive and replace that position with a County Manager who would be appointed by and subject to the whims of the board of supervisors.

In 1932 this position was appointive, but the people changed that in 1938 to make the County Executive elective and responsible to the voters. The people made the County Executive an elected official because they were dissatisfied with an appointive set-up.

The County Executive is elective now. LET'S KEEP IT THAT WAY!

An elected County Executive gives you Direct Representation in County Government. VOTE "NO" on COUNTY PROPOSITION "A."

KEEP CONTROL OF COUNTY GOVERNMENT IN THE HANDS OF THE PEOPLE.

BIG VICTORY FOR ANNEXATION SEEN AT POLLS TUESDAY

An overwhelming victory for the annexation of the Westlake area at Tuesday's election was predicted today by A. L. Sundstrom, general chairman of the Yes for Annexation Citizens Committee.

Public opinion as reflected in individual expression and organized support, has crystallized behind the annexation as vitally necessary for the future growth and development of Daly City.

Sundstrom said that hundreds of volunteers had been mobilized in the Yes for Annexation campaign and were conducting an intensive drive to point out the advantages of annexation.

"The thinking people of Daly City are solidly behind our mayor and members of the city council in their support of annexation," said Sundstrom.

"The advantages of annexation are so numerous and far-reaching that we must act now or it will be too late.

"Certainly, neither your city council nor the hundreds of members of our 'Yes for Annexation' committee would favor his proposition if it were to raise taxes.

"But taxes will NOT be increased. Does anyone think that the largest taxpayers of Daly City, who are members of our 'Yes for Annexation' committee, would be in favor of annexation if it was going to raise their taxes? Of course not.

"Daly City is at the crossroads of its existence. We have an opportunity to expand our city limits westward to the Skyline boulevard by annexing Westlake now. But if we fail to act, the opportunity will be gone forever.

"Vote YES for annexation on Tuesday. It is best for you, your family, and your city."

Both Sundstrom and A. J. Bodien, co-chairman, deplored the fact that so many false and misleading statements had been issued in printed pamphlets against annexation.

They emphasized that not one honest reason had been advanced against annexation.

Auto Accident Injures Three

Three persons received minor injuries in a three-car accident on Mission street Saturday.

Hurt were Wallace F. Busse, 786 Sutter street, Dorothy Marc, 354 Chenery street, and Nancy Schroeder of the same address. All were treated for lacerations at the Junipero Serra hospital and released.

Two of the cars, one driven by Raymond F. Marc, of Chenery street, and the other by Nathan F. Graham, 143 Monterey boulevard, had stopped for a traffic signal. The third car, driven by Busse, failed to stop, crashing into Marc's car, which was pushed against Graham's vehicle.

Daly City residents will join voters throughout the nation next Tuesday, November 2, when they go to the polls for the 1948 General Election.

There will be several very important selections on the ballot, and The Daly City Record, after careful analysis, recommends the following candidates and propositions which are of vital concern to local citizens:

For Congress
JACK Z. ANDERSON

Jack Anderson is known and respected as a Congressman who fearlessly supports legislation for the people. He won both the Republican and Democratic party nominations in the June primary elections. He deserves your vote in the General Election.

For Assemblyman
RICHARD J. DOLWIG

A resident of South San Francisco, Dick Dolwig is well acquainted with the problems of northern San Mateo county.

A veteran of World War II, Dolwig has done a fine job in the State Assembly, sponsoring legislation in aid of Schools, Youth, Veterans and to increase state aid to local governing bodies.

You will be doing yourself a favor by voting for Dolwig for Assemblyman.

Board of Commissioners San Mateo Harbor Dist.
THOMAS J. CALLAN

A life-long resident of northern San Mateo county, Thomas J. Callan will give this district adequate representation on the Harbor District Board of Commissioners, which will be in charge of a breakwater at Pillar Point.

You will vote for five commissioners. Thomas J. Callan should be one of them.

County Executive
COUNTY PROPOSITION A

Vote NO on Proposition A! Your County Executive is ELECTED BY THE PEOPLE to give you DIRECT Representation in County Government.

This position was FORMERLY an appointive one, but it became so unsatisfactory that, in 1938, THE PEOPLE CHANGED THE CHARTER TO MAKE THE COUNTY EXECUTIVE AN ELECTIVE OFFICE SO THAT THEY COULD HAVE DIRECT REPRESENTATION. Passage of Proposition A would make the position appointive again.

VOTE NO ON COUNTY PROPOSITION A.

City of Daly City PROPOSITION B

VOTE YES ON PROPOSITION B, providing for the annexation of Westlake to the City of Daly City. The annexation will make Daly City a bigger and a better place to live.

Support the judgment of your elected representatives, who have already approved the annexation ordinance. Here is what they have to say:

Mayor A. J. Gaggero: "Daly City is at the crossroads of its existence. Unless we progress to the west by annexation of Westlake, we will be forever hemmed in and will enter an era of declining property values, rising taxes and a complete lack of the facilities which make a community a good place to live."

Councilman Paul Green: "The only opposition to the annexation of Westlake is the opposition of

Annexation Leads 3 to 2 in Test of Public Sentiment

Annexation is leading by more than 3 to 2 in a city-wide straw ballot taken on the proposition, it was announced today by the Voters Research Council.

The Council said that the straw ballots showed that Proposition B, to approve the annexation of the Westlake area, was leading in every precinct in the city by a substantial majority.

In the presidential test, Dewey and Truman were running a nip and tuck race, while Assemblyman Dick Dolwig showed strong support and was leading his opponent.

HARD-HEADED BUSINESSMAN,' ALERT WAITRESS, THWART BLACKJACK THUGS

Two would-be thugs ran into "hard-headed businessman" ast Friday in Daly City, and as result they are resting in the ounty jail today.

The two, Donald R. Taylor, 1340 . Louis avenue, Long Beach, and eith L. Lewis, 18415 Ventura oulevard, Tarzana, walked into harles Huber's used car lot at 25 Mission street late Friday aftnoon and, with robbery in mind, t him over the head with blackcks. Huber reeled, but the blows iled to knock him unconscious, id he started after the robbers.

Meanwhile, Bert Merritt of Kendy Electric Co., noticed the mpus, sized up the situation and ok the keys from Lewis' getaway r, which was parked on Mission reet.

A running foot-race resulted, with the two culprits pursued by uber and others who joined the hase. Taylor was captured by olice Officer Chas. Munday, on illside boulevard.

Meanwhile, Lewis had dodged into the Daly City Coffee Shop at 6339 Mission street, where an alert waitress thought he was acting suspicious and phoned police. Lewis then fled out the rear door of the Coffee Shop, only to find himself face to face with a sheer wall of rock. He took hiding under the floor of the Library.

A contingent of police, led by Chief Sunderland and Sergeant Benedetti with Officers Arthur Linhares and Chas. Munday, combed the quarry area behind the Library and finally rousted Lewis out of his hiding place.

Taylor and Lewis were armed with blackjacks and, are being held in the county jail on four counts ranging from assault with a deadly weapon to attempted robbery. City Judge William Sweeney Monday set bail at $5,000 cash or $10,000 bond.

Preliminary hearing will be held Monday, November 1, in Judge Sweeney's court.

KIDS' HALLOWE'EN PARTIES SATURDAY

No, you haven't had one too any! That is actually a ghost, a own and a three-legged cat with-t a tail walking down Mission reet — or at least Daly City oungsters dressed as such.

They're on their way to one of e Hallowe'en parties being spon-red this Saturday by the Daly ty Recreation department, the olma P.T.A., OLPH Mothers Club, oodrow Wilson P.T.A., Crocker T.A., Pershing P.T.A., and the fferson High School P.T.A.

Whether the costume is origi-al, pretty or in the humorous vein, he or she will have a chance o win one of the many prizes hat will be given out for the est three costumes in each cate-ory. And to give him or her till more opportunity to win a prize, the masquerade attire will be judged in three age groups: 5 years and under; 6 to 9 years, and over.

Besides the costume parade, entertainment will consist of an amateur show, stunts and games, and movies. More prizes will be awarded for stunt and game winners.

All the Hallowe'en parties will begin at 7:30 p.m. and end at 9:30 p.m., except the teen-age party, which will last until 10:30 p.m.

Here is the schedule:

At Jefferson High School: Jefferson elementary students and Thornton school students from the third grade and above, will meet in the high school cafeteria. Students in the second grade and under who live near the high school will meet in the high school Little Theatre.

Students of Our Lady of Perpetual Help school and Crocker and Woodrow students who live in the vicinity will meet at the OLPH auditorium.

The Pershing school will be the setting for the party for Crocker and Pershing students who live in the vicinity of that school.

A party for children 7 and under who live in the vicinity of the Scout House on Evergreen and Peoria will be held in that building.

Teen-agers will meet at the Bellevue Recreation Hall. In addition to the Hallowe'en party they will begin the reorganization of the Teen-age Club and will elect officers. (Beginning next Friday a regular weekly dance will be held for the teen-age group.)

Free ice cream will be served to the children at all parties.

General chairman this year is Elman Rose, director of recreation. James Snell, superintendent of the Jefferson school district, has charge of refreshments. Mrs. L. B. McGeein, president of the Jefferson high P.T.A. has charge of prizes.

Co-chairmen of the party held at the high school are Mrs. J. A. Sorenson, Woodrow Wilson P.T.A. president, and Mrs. E. Dennis, Colma P.T.A. president. They will be assisted by James Hinds and R. L. Crane, both of the Daly City Recreation Commission, and Glen Smith, Marchbank playground director.

For the party at OLPH school hall, Mrs. Valletta Ennis, president of the OLPH Mothers Club, will be chairman, assisted by Ed Cavagnaro of the recreation committee of Daly City, and Joe Ballarin, Lincoln playground director.

Mrs. A. Gensil, Pershing P.T.A. president, and Mrs. Effie Jordan, Crocker P.T.A. president, will be co-chairmen of the party at Pershing school. They will be assisted by James Snell and Bob Seiler, Daly City recreational supervisor.

The teen-age party will be under the direction of Mrs. Ann Eason of the Daly City Recreation Commission and Mrs. L. B. McGeein. Mrs. Lyle Ingersoll will have charge of the party at the Scout House.

There is no admission charge to the youngsters.

SELL OUT CROWD LOOMS FOR SUNDAY AT HIGH SCHOOL FIELD AS MUSTANGS AND SOUTH CITY MEET IN BIG GAME

By Tom Tromborg

Tradition will follow its course this Sunday, when the honor of two cities will be decided in a 2 p. m. football game between the Daly City Mustangs and the South San Francisco Windbreakers at the Jefferson High School Stadium. Tickets have been selling like hot-cakes all week and a large crowd will be on hand to witness the struggle.

The intense rivalry between the two cities dates back to the days when rugby and soccer were the biggest sports on the peninsula and Sunday's contest is really the one and only Big Game for northern San Mateo county.

Many of the players on both teams will be reviving old rivalry as they played for Jefferson or South San Francisco high schools in the annual Thanksgiving day classic.

Opening the 1948 season with its own true representative, Daly City will field Coach Harland Fernando's Mustangs through the financial support of Frank Lombardi. Composed primarily of local players, the gridders have shown rapid improvement throughout the current season, with three wins, three losses and one tie game so far this year. The Mustangs face South City after winning their last two contests, and, after holding powerful Ocean A.C. to a scoreless tie, they can be considered a definite threat to the unbeaten Windbreakers.

The game will be a thriller and Mr. Pigskin is going to be a highly agitated bag of leather when the gruelling sixty minute grid battle is over.

NEW TEAM

The Mustangs came into being only four months ago, when a group of football bugs discussed

NEWS FROM THE SCHOOLS

CROCKER

To convey the scientific understanding of time belts in the United States the H8 has enlarged a map of the United States. This is entirely a student directed activity under teacher guidance which provides committees to plan and execute the completion of the project, thus contributing to the social as well as functional academic knowledge of the group. Other students in the room are making individual maps for complete mastery of this concept.

Membership in the Junior Red Cross is well underway among the members of the Crocker student body — everyone anxious that his room be in the 100 per cent bracket. A large Red Cross on the bulletin board of the school will keep the students informed as to the rooms attaining the 100 per cent goal. Supplementing this is an official enrollment blank in each room, where students register and receive a membership button for their contribution to this worthy community cause.

Each classroom of Crocker is keeping its own Green Pennant Safety Record. Students in each room are thus more alertly aware and conscious of the importance of the Green Pennant drive being sponsored by the county. The summariation of each room is posted in the hall daily by the school representative, Carol Clarke.

Amelia Upchurch attended the Horse Show in Santa Cruz, and enjoyed the picturesque drive as well as the show.

Last week, Arthur Sutter received a postcard from his brother in Mexico, showing a picture of the Palace of Fine Arts in Mexico City. This building sinks three steps every year. Arthur has been most fortunate in having been in this Palace many times.

In their study of China, students in the L7-H7 have learned that the Great Wall of China is the greatest structure ever conceived or built by man. Astronomers have stated that it is probably the only man-made object that would be visible to the naked eye from the moon. If the materials in it were taken and reassembled, a wall eight feet high and three feet thick could be built around the earth at the equator. According to modern engineers, the Wall could hardly be improved upon if built today. Virginia Chan, a native of China, told the class some interesting legends about jade. Lois Sadler, another student brought beautiful, filagree silver and hand-carved ivory jewelry to show to the class. Hand-carved chests from this country were brought to class by Martin Verece.

WOODROW WILSON

This week in social studies students in the H2 and L3 discussed what they see on the way to school every day. A list of the things seen was made during art period. Each pupil drew a picture of what he saw in the neighborhood or on the way to school. Later, during writing period, each wrote a story about his drawing.

The Air Fair at the United Air field was attended by a large group of low and high third grade pupils with their parents. Upon returning to school on Monday the things they had seen in the air port were discussed. Earlene Durrett gave an interesting discussion of the way the seats work and the inside arrangement of a passenger plane. Clinton Thistle gave a vivid discussion of the Hiller heliocopter exhibition. During the week the group read stories about airplanes and pilots. These stories led to an interesting health lesson about air pilots.

The L4 has made maps of California, showing the location of the various tribes of Indians who lived in California in early days. These maps also showed the boundaries of California; the Pacific Ocean on the west, Oregon on the north, Arizona and Nevada on the east, and Mexico on the south. At present, the class is studying tools, clothes, food, habits, and customs of the California Indians.

The class welcomed a new boy, John Boiver, from Vancouver, Washington.

The boys and girls of the H4 and L5 are making Hallowe'en masks, pictures, decorations and sketching costumes in preparation for October 30, Hallowe'en.

Carl White and Lenita Johnson have transferred to school from Crocker. They are both in the L6. The boys and girls of the H5 and L6 are going to have a social studies examination, a language examination and an arithmetic examination this week.

The L8 and H7 grades were making plans for the decoration of the classroom for November 9. The theme will be "Our Armed Forces From the Earliest Times."

Kindergarten: Learning to read their names and count the days of the week is much more fun when they can draw and color and sing about ghosts, witches, and jack-o-lanterns, according to the children of the Jefferson kindergarten, who are busy these days making decorations for their room in preparation for a Hallowe'en frolic to be given on Friday, October 29.

First Grade: The first grade had an interesting lesson in number concepts. They helped the teacher count the money on Bank Day. A discussion on the merit of saving followed this lesson.

Children in the class are showing a keen interest in the social studies unit on "Home and Family." They have brought many pictures of homes and of family groups which have given them an opportunity to realize through discussion that, as a member of a home, they have definite duties and responsibilities.

Second Grade: The boys and girls of the second grade have been learning the importance of getting along with others. Our theme, Community Helpers, has stressed our increasing dependence on other workers. The children have been discussing the importance of each worker within a community. Slides were shown to stress the points brought out.

JUNIPERO SERRA DROPS OPENING BASEBALL GAME

Opening up the Winter Baseball League at Funston Park, the Junipero Serra Merchants dropped a close 3 to 2 ball game to a peppy Double Play Sunday.

Fred Lucia, Junipero hurler, held the Double Play's to five scattered hits, but six errors by his teammates spelled defeat. Merrill, winning pitcher, also allowed the locals five hits.

Fred Fazzio drove in the Serra's only two runs with a sharp double to right field in the seventh frame.

OMMUNITY CHEST RIVE WILL NOT EET 1948 QUOTA

Daly City's quota in the current mmunity Chest drive, which was bled from $3,000 in 1947 to 00 in 1948, will not be met this r, but actual receipts will ximately double the $1,200 col- ed last year, according to nk B. Blum, chairman of the 3 Red Feather Drive.

With full returns yet to be com- ed, Blum said residential con- utions were still being collected he Bank of America. Co-chair- n Arnold Panella reported a tifying response from small iness establishments through- the city.

The San Francisco drive has n extended past the October closing date, but Blum said it not been decided whether the y City drive would be extended ot.

Teachers at Jefferson high school tributed more than one hun- d and fifty dollars, with the dents adding another forty-one ars to the drive.

PETER J. MARKOVICH MAKES STATEMENT ABOUT ANNEXATION

To whom it may concern:

As a resident of Daly City for the past 35 years, a period in which I have seen our city grow from a hilly village to a well-developed community, I would like to add my twenty-five cents worth to the present issue which is of great concern to the people of Daly City.

As I recall, the boundary lines of our city formerly extended from the county line to Citrus avenue. It was through the process of annexation that we acquired hundreds of acres south of Citrus, which gave us our present growth and placed us on a higher level in the minds of the outlying communities.

Growth and development ride the waves of progress. Without it a community becomes stagnant.

In the past, one of the present objectors rode these waves and was responsible in putting over issues regarding annexation. Why the change of heart at this time amazes me. Does he, by chance, fear traffic will revert to the lower end, thus hindering the stability of the present shopping district? There is no doubt a small percentage will patronize a new development, but then this will take place regardless if the Westlake section is annexed or not.

As a signer of the petition, I feel people will be justified in approving or disapproving annexation. I personally feel that the concessions offered by Mr. Doelger are fairly reasonable with the exception of the park site, which I feel should be gratis in return for the advantages he will receive through annexation.

Growth means might and the larger we are, the mightier we become and our prestige will be acknowledged throughout the county which thus far has looked upon us as "one pea in a pod." Considering the amount of taxes we put into this pod, we have thus far received very little in return.

Let us grow so that we may be strong enough to dictate policies, which are essential to our community, to those in the county seat who are in charge.

STEERING MECHANISMS

Did you ever notice how the casters under a piece of furniture swing around into the line of direction in which the article is being pushed? This, points out the National Automobile Club, is exactly what happens when you turn a corner in your car. If you will relax your grip on the wheel and speed up slightly, the wheels will automatcially swing again into a straight line. And that is where the term "caster effect" comes into the vernacular of steering mechanisms.

GALS WILL SHOW THE COWBOYS HOW AT RODEO SUNDAY

Shouts of "Ride 'em Cowboy" which usually accompany all rodeos, will be changed to "Ride 'em Cowgirl" at a strictly feminine rodeo at Buffalo Bill's ranch Sunday.

Beginning at 1 o'clock, the rodeo will include cow riding by the gals, stake races, and a horse show.

The American Legion Auxiliary, Post 824, has full charge of the refreshment concessions which include a hot dog and sandwich stand and a coke bar. Mrs. Frances Davis, president of the organization, and Mrs. Marge Hanrahan are in charge.

Buffalo Bill's ranch is located in Broadmoor Village. The rodeo is open to the public without charge.

HEALTH DIRECTOR SPEAKS TO CCPT

Benefits which would be derived from a coordinating council between the parents, schools and the health department were discussed by Dr. Harold Chope, director of health and public welfare for San Mateo county, at the meeting of the Seventeenth District C.C.P.T. held Thursday at Pescadero Union high school.

Urging the passage of the hospital bond, Dr. Chope asked members to "talk bonds" to their neighbors and friends. Two members of Dr. Chope's staff, Mrs. Irene De Sarmo and Miss Martha Adam were also present.

The film "Human Growth" was shown with Rev. Laurence Whitfield commenting on the film, which was developed to incorporate a broader sex education into the home and the school system.

Other parts of the program included an address by Mrs. Daniel Dailey, the presentation of the grand award for the most impressive float in the Portola Parade to Miss Jacqueline Archer, student body president, and a musical selection, "Now Is the Hour," sung by Miss Shirley Farios, accompanied by Miss Farroti. Mrs. Edgar Whitehead, chairman of character education, read the character thought, "So Long as There Are Homes."

Mrs. Roy McCloud Jr., director of health, and Mrs. J. B. O'Bryant, director of home service, arranged the program. Mrs. J. M. Foley presided over the meeting.

Honored guests were Miss Pansy Jewett Abbot, Henry Hall, Mrs. Mildred Erickson, Mrs. L. G. Owens, and Miss Clara Dills.

COLMA P. T. A. HAS 16th ANNIVERSARY

Members of the Colma P.T.A. will honor their unit's 16th birthday at the meeting and pot-luck luncheon November 3.

The meeting will begin at noon in the Community Center on Dunks street. Mrs. Gertrude Stanghellini is chairman of the affair, with Mrs. Virginia Lagomarsino as co-chairman.

BANDLEADER ASKS CIVIC GROUPS TO PROVIDE UNIFORMS

The Daly City Band will again participate in the annual Navy Day Parade and celebration at Hunters Point October 31, George E. Brenner, bandmaster, announced this week.

"While our uniforms are very old and in poor condition, the shipyards would not excuse us for this important event," he said.

Brenner added, "Many bands during the last year have new uniforms of the latest style and we are being marked down in competition on account of appearance. We believe the civic clubs in Daly City should do something about this and not permit the band to play competitive parades with this serious disadvantage."

Guttman - Sweeney Wedding Date Set For November 6

The engagement of Miss Gladys Gregoria Guttman, daughter of Mr. and Mrs. Alfred Guttman, 6277 Mission street, to Arthur Sweeney was announced October 12 at a birthday party in honor of the bride-elect's father.

The couple will be married November 6 in Our Lady of Perpetual Help Church, with Father Adrian McKenna officiating. The honeymoon will be spent in Santa Barbara.

Miss Guttman, a graduate of Jefferson high school, is a member of Hillcrest Circle No. 143, U.A.O.D., and Emydian Institute, Y.L.I.

The groom-to-be is the son of Mr. and Mrs. Arthur A. Sweeney, 1270 46th avenue, San Francisco. He is a graduate of Polytechnic high school. He spent three years in the merchant marine and served with the United States Army for 18 months.

Police Apprehend Bad Check Writer

Two more "bum check writers" have invaded the limits of Daly City. One, a woman, was apprehended by Daly City police. The other, who signed his checks D. E. Waller, is still at large.

Waller, descriptions of whom range from "40 years of age, 5 foot 9 inches tall, 180 pounds, dark complexion" to "50 or 55 years of age, 5 foot 8 inches tall and 145 pounds," has allegedly written three bad checks in Daly City during the past week. Receivers of the checks were Milo's Grocery, Dubin's Men's Shop and Lees Pharmacy.

Waller had been living at the Hillcrest apartments but has left, taking most of his belongings with him. His landlady said she had refused a check for the rent earlier in the month and that Waller returned several days later with the cash.

A woman giving her name as Mrs. N. B. Waters assertedly cashed a $25 check in payment for a battery at Brooks Service Station. Upon discovery that Mrs. Waters had no account with the bank, the Daly City police were notified. They located Mrs. Waters, who made the check good.

WED. AFTERNOON TOUCH-TACKLE GAMES AT MARCHBANK PARK

With "A" teams composed of students from the Low 7th to High 8th, and "B" teams from the High 6th class and under, the elementary schools' touch-football league at Marchbank Park was drawing plenty of interest.

The teams play every Wednesday afternoon at 4:15 at Marchbank Park.

Schedule of remaining games is:

November 3
Woodrow vs. Crocker
Jefferson vs. Perpetual Help
November 10
Jefferson vs. Crocker
Woodrow vs. Perpetual Help
November 17
Crocker vs. Perpetual Help
Jefferson vs. Woodrow

The league operates under supervision of Robert Seiler, athletic supervisor for the Jefferson School District. Coaches are: Crocker, W. Tergim; Jefferson, D. Pagani; Woodrow, G. Smith.

The Crocker "Coyotes" are leading the league at present, Seiler said, with Woodrow Wilson in second place.

Women of Moose To Sponsor Bazaar

If you're looking for a distinctive gift for a bride's shower or possibly a Christmas present, you might find it among the aprons, dish towels and the many articles of home made fancy work which will be on sale at the bazaar sponsored by the San Francisco Chapter No. 739, Women of the Moose. The benefit affair will be held from 8 to 10:30 p.m. November 3 in the new Moose Fraternity Hall, 3053 16th street.

Chairman of the bazaar is Irma Barnes. Among the features of the evening will be a white elephant booth, sale of home made candy and cake, bingo, and a post office booth.

SAN FRANCISCO MAN FINED $100 FOR DRUNKEN DRIVING

Charged with drunken driving, Melville Thirlwell, 1395 Hampshire street, San Francisco, was fined $100 in the Daly City municipal court Friday. Judge William Sweeney also revoked Thirlwell's driver's license for 90 days.

Fined $50 was Alois J. Schmidt of Daly City. He was charged with being drunk in and about an automobile.

ENTERING TRAFFIC

When pulling out from a garage, private driveway, or side road, the motorist is cautioned by the National Automobile Club to come to a complete stop before entering traffic. He should not attempt to force his way into a traffic line, but should signal his intention and then wait until traffic is clear enough to permit his proceeding with safety to himself and his fellow motorists.

Vishinsky said... "I do not pray"

Vishinsky, a top Russian diplomat and spokesman for the Communistic Russian government at the United Nations, is typical of all communists.

Crossing the Atlantic on the Queen Elizabeth an English newspaper man held Vishinsky's hand and said, "I pray every day that Russia and all of the other nations will strive sincerely for world peace".

Vishinsky thought for a second and then snarled back, "I do not pray for anything".

J. Edgar Hoover, head of our Federal Bureau of Investigation, says, "One of the reasons why communists have made such great advances in this country is due to the fact that too many Americans have failed to recognize communism for what it is, a criminal conspiracy designed to rob America of its freedoms."

No people in all the world enjoy such privileges as we do here in America. We can work, laugh and play and we can enjoy the fruits of our labours. We can worship as we choose and we don't have to be afraid that a knock at the door is going to bring destruction to some member of our family.

Our Republican Congress has been doing its utmost to get rid of governmental employes whose loyalty to our country is very much in doubt. All Communists are potential espionage agents and a Federal employe who constantly associates with known Communists should forfeit his right to work for the government just as a man forfeits his right to work in any other line of activity when he constantly associates with known thieves.

The man in the White House has flatly refused to cooperate with Congress. He has refused to give Congress information about men whose loyalty is questioned. He brushed aside the requests for information with the wise crack "The Republicans are trying to dig up another Red Herring".

Well, the Republican Party knows the difference between perfume and red herring just as you do. And we are willing to fight for the preservation of all those sacred rights and privileges which Vishinsky, Stalin, Molatof and all of their followers would take away from us. There is no pussy-footing in the Republican Party. We are Pro-American all the way.

Vote Republican next Tuesday and help to get rid of the trouble makers.

Don't Be A LEGISLATIVE BEGGAR

vote NO on proposition No. 13
(The Senate-packing Reapportionment Scheme)
AND
prevent left wing radical bosses from making legislative beggars out of you and your communities!

HERE'S WHAT PROPOSITION No. 13 DOES TO YOU:

- IT makes your vote worthless by turning over absolute control of Leglislative Government to the four coastal metropolitan areas of California.
- IT scraps the "Federal Plan" of check-and-balance representation in Senate and Assembly — a plan tested nationally by over 150 years of Congressional law-making under which metropolitan and non-metropolitan areas have a dual voice in government.
- IT paves the way for a return of bossism in even more vicious guise than existed before Left-Wing Radicalism was injected into modern power politics.
- IT tells rural California, and the inland cities, covering 94 per cent of the State's area, and producing most of the State's new wealth, to keep quiet about the affairs of their Government.
- IT concentrates the power to tax—which is the power to destroy—in the hands of big metropolitan interests and substitutes class conflicts for the understanding and cooperation now existing between city and country dwellers.

MAKES YOU AND YOUR NEIGHBORS LEGISLATIVE PAUPERS
Don't let this happen!

Rally your voting strength; tell your neighbors and friends in San Francisco, Los Angeles, San Diego and Oakland how you feel about this scheme. Get out a 100 per cent "NO" vote on Proposition No. 13. YOU'LL NEED IT TO DEFEAT THIS SENATE-PACKING POWER GRAB!

Ordinance No. 281

AN ORDINANCE REDUCING PRIMA FACIE SPEED LIMIT ON JUNIPERO SERRA BOULEVARD

The City Council of the City of Daly City, County of San Mateo, State of California, do hereby ordain as follows:

WHEREAS, the Chief of Police of this City of Daly City has prepared and filed with this city council an Engineering and Traffic Survey, relating to that portion of Junipero Serra Boulevard lying within the city limits of the City of Daly City; and,

WHEREAS, it appears from such Engineering and Traffic Survey, and this council does hereby determine, that the prima facie speed limit of 55 miles per hour is more than is reasonable or safe upon any portion of said Junipero Serra Boulevard lying within the city limits in which such city has jurisdiction.

NOW, THEREFORE, IT IS HEREBY ORDAINED AS FOLLOWS:

1. That it be, and is, hereby determined and declared that a prima facie speed limit of 35 miles per hour is most appropriate to facilitate the orderly movement of traffic and is reasonable and safe and such prima facie speed limit is hereby declared and determined to be effective upon all portions of Junipero Serra Boulevard from the southerly limits of Daly City to the southerly limits of State Highway Route 56.

2. That the Chief of Police of this City of Daly City be, and he is hereby, authorized and directed to erect upon said portion of Junipero Serra Boulevard, signs giving notice of such prima facie speed limit of 35 miles per hour.

3. This ordinance is hereby declared to be an urgency measure necessary for the immediate preservation of the public peace, health and safety, within the meaning of Section 1 of Article IV of the Constitution, and shall go into effect immediately.

The following is a statement constituting such necessity.

The City of Daly City presently has no regulatory ordinance fixing a speed limit lower than 55 miles per hour upon Junipero Serra Boulevard and there has been a substantial increase in traffic accidents upon said street due to increase in traffic. It is necessary, to effect immediate control of this situation for the preservation of the public peace, health and safety, that the prima facie speed limit upon this street be reduced. The regulation herein contemplated is deemed imperative by the City Council for the preservation of the peace, health and safety of the inhabitants of said city.

San Mateo Woman Urges 'Yes' On A

The campaign for County Proposition A on the November 2 ballot, which would replace the present county executive with a county manager appointed by the board of supervisors, warmed up during the past week as the campaign drew toward a close.

Mrs. Robert Etienne, president of the San Mateo League of Women Voters, asserted that, "the county has suffered under a faulty system of government for years." She called on voters to cast their votes for Proposition A.

ELECT Robert H. (Bob) HARDGROVE ASSEMBLYMAN

A MESSAGE FROM BOB HARDGROVE:

Fellow Citizens:

This is my platform—

(1) CUTS IN THE COST OF LIVING.
(2) DECENT HOUSING.
(3) MORE SCHOOLS--AND BETTER ONES.
(4) A PRACTICAL, INTELLIGENT ATTACK ON JUVENILE AND ADULT CRIME.
(5) IMPROVED TRANSPORTATION.
(6) FULL PRODUCTION.

—These are our most urgent needs.

—THIS is a program for a healthy secure, prosperous community.

The details of my platform have been widely discussed and approved.

My opponent has failed to meet these issues and has, instead, made an untruthful personal attack in an attempt to hide his "do nothing" record.

This attack has now been refuted by the county's leading citizens, by the newspapers and has proven a boomerang indeed.

As your assemblyman I will serve all the people of San Mateo County, without regard to party or station.

My door and my mind will be open to all citizens at all times.

To solve the urgent problems of this county and state I pledge all the energy, good advice and practical experience that I can command.

I will report frequently—and honestly—on the state government.

I am dedicated to the proposition of clean government and clean politics.

Respectfully yours,
Bob

P.S.—I wish to express my thanks to the many fine men and women who have worked in this campaign in the hope it would mean a better community and a better government.

This message is sponsored by the Robert Hardgrove for Assembly Committee, 1500 Sharon Place, San Mateo. The following are members of the committee. Former Mayor Edward J. Reilly, San Mateo; Former Mayor Joseph J. Hearne, San Bruno; Former Mayor Patrick J. Kearns, San Carlos; Dr. U. S. Mitchell, San Mateo, clergyman; Councilman Robert V. Spillers, Redwood City; Councilman George Warman, Millbrae; Councilman Peter Dahl, Burlingame; Councilman John Murphy, San Bruno; Les Immerman, businessman, South San Francisco; George Wallace, businessman, South San Francisco; George Wheeler, businessman, Daly City; Roussell G. Smith, Belmont; William J. Mahaney, attorney, Atherton; Louis F. Wexler, attorney, Millbrae; Mrs. Helen M. Foley, Burlingame; E. Al Holgerson, Half Moon Bay.

GALLO'S "EVERYTHING FOR THE HOME" OPENS ON JUNIPERO SERRA

A new, modern building on Junipero Serra boulevard, entirely devoted to home furnishings, opens its doors Saturday when Gallo's "Everything for the Home" at 2155 Junipero Serra celebrates its grand opening.

Frank Gallo, proprietor, has been in business for many years at 40 Twelfth street in San Francisco, and has moved to Daly City following the rapid expansion of population in this area.

Featuring furniture, electrical appliances, gifts, paints and wallpaper, Gallo's is located on the east side of Junipero Serra, between Westlake avenue and School street.

The United States has one telephone for about every four people.

Mooseheart Night Planned By Women

San Francisco Chapter No. 739, Women of the Moose, will hold Mooseheart night beginning at 8:15 p.m. tonight, Thursday, at the Odd Fellows building.

Senior Regent Gertrude Koenig will preside with the Mooseheart chairman, Pauline Paulsen, as hostess for the evening. An initiation will also take place.

Mooseheart, located in the Fox Valley of Illinois, is a home for orphaned children of Moose members. They are reared as children would be in any normal family and are allowed to choose their own clothing, given music instruction from capable instructors and are educated to be self supporting. They have a library with over 10,000 books donated by various chapters of the Women of the Moose.

DOLWIG EXPLAINS STATE PROPOSITIONS

Richard Dolwig, assemblyman for the 27th district, spoke at the Lions Club meeting Wednesday on the 19 state propositions which will be voted on Tuesday.

Dolwig explained the propositions and gave pro and con arguments about them.

A motion picture on Hawaii will be shown next Wednesday at the Lions Club. Joe Belli has charge of the program.

CONVICT LAKE

Convict Lake, Mono county, is reported by the National Automobile Club to have received its name from the part it played in a desperate prison break of 29 convicts from the Nevada Penitentiary at Carson City in 1871. A party of settlers tracked them to the lake where a battle took place, in which 14 convicts and one member of the posse were killed.

NUPTIALS UNITE CATHERINE DURR, EUGENE GANNON

The Church of the Nativity at Menlo Park was the setting for the 11 a.m. nuptials which united Miss Dorothy Catherine Durr, daughter of Mr. and Mrs. Eugene Durr of Menlo Park, and Eugene James Gannon, son of Mr. and Mrs. Eugene F. Gannon, of 127 N. Chester street, October 9. Father Hopper officiated at the ceremony.

The bride wore a gown of ivory satin which was styled with a tight fitting bodice with a gentle flare at the hipline and a sweetheart neckline. Her fingertip length veil of illusion was trimmed with lace and fastened with a white seeded pearl coronet. She carried a white orchid surrounded by white bouvardia and white gardenias.

Miss Rita Marron, gowned in deep lavender, was the maid-of-honor. The bride's sister, Miss Audrey Durr, was the bridesmaid, wearing green satin. Both gowns were fashioned with a square neckline and had capsleeves. They carried old-fashioned bouquets with matching satin streamers of baby roses and sweet peas.

Best man for the groom was Jack Scannell. Ushers were Eugene Durr, brother of the bride, Ted Friedricks, and Leonard Costranzo.

The groom's mother wore a black silk dress with a silver fox neckline and black accessories. Mrs. Durr wore a two-tone grey dress with long sleeves with grey and fuschia accessories. Both had corsages of purple orchids.

Catching the bridal bouquet at the reception which followed in the home of the bride's parents, were Grace Bootrich and Jo Kirby. "Doc" Doyle caught the bride's blue garter which was thrown by the groom.

The bride is a graduate of Balboa high school and Cogswell Polytechnical College. She formerly attended the University of California. The groom, a graduate of St. James high school, was overseas with the Navy for three years and now is employed at-Dohrmann Hotel Supply Co.

After a honeymoon to southern California and Mexico, the couple will make their home at 343 Woodrow street, Daly City.

SENATE SECRETARY SAYS 'NO ON 13'

The old days of political "Boss Rule" in California before adoption of the "Federal Plan" by the State Legislature in 1928, would be brought back if Proposition No. 13, the Senate-packing reapportionment bill, is passed, according to Joseph A. Beek, veteran Senate secretary who began his service 35 years ago.

Beek declared that reapportionment of the Senate would put State control in the hands of thickly-populated areas and result in boss rule, and urged a "NO" Vote on Proposition No. 12.

(Paid Political Adv.)

YES ON PROPOSITION B IS YES FOR ANNEXATION

WHO IS FOR ANNEXATION?

Hundreds and Hundreds of public-spirited citizens, our friends and neighbors, are in favor of the annexation of Westlake.

Four of the five city councilmen, your elected representatives, are in favor of the annexation. They are: Mayor A. J. Gaggero, Paul Green, Fred Bertetta and E. J. Mooney.

Annexation will make Daly City a REAL City --- a better place to live --- and it will NOT increase our taxes.

WHO IS AGAINST ANNEXATION?

Who belongs to the so-called "annexation study committee"? Only three people are identified with the selfish interests who would keep Daly City from progress.

WHY YOU SHOULD BE FOR ANNEXATION

ANNEXATION OF WESTLAKE WILL BROADEN THE TAX BASE AND HELP RELIEVE THE BURDEN ON PRESENT RESIDENTS.

IT WILL ADD 2,500 NEW HOMES TO THE TAX ROLLS OF DALY CITY, bringing in hundreds of thousands of dollars from Westlake in new tax income.

IT WILL ADD THOUSANDS OF NEW CONSUMERS TO OUR PROFITABLE WATER SYSTEM, AND CITY REVENUES WILL BE INCREASED ACCORDINGLY. WATER PROFITS HELP TO KEEP DOWN THE TAX RATE.

It will help solve our critical Park and Playground Problem, and provide a new community center building without cost to the city.

BROADMOOR VILLAGE NEWS

By Dorothy R. Levitan

The howls and excitement from the American Legion dance have nearly quieted down around Broadmoor, but the memory of a "terrific time had by all" remains. It was a perfect night for the festivities and the renovated barn was jam-packed with fun-seekers. The costumes were marvelous and showed ingenuity and sparkle. First prize for the best costumes went to Mr. and Mrs. Vincent J. Murphy. Murphy, who is president of the Broadmoor Property Owners Association, copped the award with his impersonation of "Father Junipero Broadmoor." His wife, Juanita, masqueraded as Pocahantas and really did a convincing job of it! Second prize was awarded to Mr. and Mrs. Larry Greene.

Jim Thomas, the Broadmoor patrolman, will no longer have to roam the dark streets of the tract in fear of his life. He has been given a police dog to "protect" him. The dog is all of 3½ months old!

The patrolman's services have now been extended to the Stoneson property on a 30-day trial basis.

Finals for the Safety Committee picnic have been announced by Safety Commissioner Ken Brugge. The picnic, which Brugge emphasizes is for committee members only, will be held November 6 at the new Community Center in the Village.

A new committee, the Planning Forum, has been organized under the direction of George Yorg, to survey existing fences in Broadmoor with the aim of improving and beautifying the area. The committee is a project of the Broadmoor Property Owners Association.

At their last business meeting, the Women's Auxiliary of the American Legion, named delegates to the 26th District. They are Alice Bud and Evelyn Toschi, with Dolly LePine and Katie Flanagan as alternates. The next Auxiliary social, a two-party affair, will be held November 9. One section will go bowling — these the athletic Legion gals; while the rest of the group will attend a downtown movie.

Two recent stork visits to Broadmoor have increased the local population. Mr. and Mrs. Richard Morgan, 568 McArthur drive, are the parents of a new son born September 25. He'll be called Gary Claude.

A baby girl was born to the Ed McGuirks early Sunday morning, October 24. The McGuirks' home is at 520 Midway.

Contributions to the Broadmoor-Garden Village Community Chest have been rolling in and the amount collected is now 78 per cent of the quota of $600. Mrs. Ray Marovich, chairman, announced last week that $468 had been contributed so far.

Another "Stanley Mop Party" was hostessed in the Village this week. The date was Monday night, October 25, and the hostess, Dorothy Swoverland, of 527 87th street.

Tea and cakes were the order of the day on Saturday, October 23, when Mrs. Eileen DeBernardie Blanco entertained a group of her friends at her home on Louvaine drive.

Orchids and bouquets to the No. 26 bus driver who left a bus-full of homeward bound Broadmoorites sitting while he carefully escorted an elderly blind gentleman across busy San Jose avenue the other night. And there wasn't a peep out of that 5:30 p.m. crowd either!

Plans for the completion of the Broadmoor Shopping Center, adjacent to King's Market on Junipero Serra and 87th street, have been announced by Donald Stoneson. Stoneson is in charge of expediting construction and leasing the business sites.

Ten stores will be located on the ground floor, Stoneson said, with medical and dental offices on the second floor.

The center, which is scheduled to open the latter part of November, will include branches of the following Lakeside and West Portal businesses: Lee Carte, dresses; Hamilton's Men's Wear; Weitzel's Shoes, and Portal-Wood Pharmacy.

Plans are on the fire to have a beauty shop, baby shop, dry cleaner, variety store and barber shop on the premises, also.

The medical and dental offices on the second floor will house an obstetrician, pediatrician, general practitioner and a dentist.

OLPH Mothers Club Plans Dessert Whist

The Mothers Club of OLPH will have a dessert whist at 1 p.m. November 2 in the school auditorium at 80 Wellington avenue.

Mrs. Valetta Ennis is in charge of the dessert. They will be assisted by mothers of sixth grade pupils.

WOMAN'S ASSAILANT APOLOGIZES, LEAVES

Muttering "I must be drunk, I am sorry," an unidentified man abruptly ceased in an attempt to choke a Daly City woman Saturday night.

The woman described the man as "about 30 with a sun tanned face, 5 foot 7 or 8 inches in height, wearing a blue sports coat and a brown hat. She said he grabbed her on Mission street near Westlake avenue, dragged her to the rear of the Twin Cleaners, and started to choke her, then suddenly stopped and left.

Woodrow Wilson PTA Plans Executive Meet, Teachers Reception

Mrs. Elmer Hanley, 43 Woodrow avenue will be hostess at an executive board meeting of the Woodrow Wilson P.T.A. at 1 p.m. November 1. Co-hostesses will be Mrs. Lillian Thomey and Mrs. A. E. Banfield.

The faculty reception, an annual affair, will be held at 8 p.m. November 8 in the Administration building, 344 Santa Barbara avenue. A film titled "The Problem Child" will be shown, with a member of the San Mateo County Board of Health speaking on it.

Mrs. Earl White, health chairman, is in charge of the program.

TO THE PEOPLE OF DALY CITY

All of us are interested in good government.

I have in mind an investment in the future. This investment would be in the youth of today who will be the leaders of tomorrow.

The unusual thing about it is that this investment won't cost you or me anything except a little work at this time.

A "YES" vote on the annexation issue on November 2 is all that will be required. If you wish to subscribe to a bigger share in this investment then you'll do as I am doing.

You'll urge all your friends to vote in favor of increased recreation facilities for Daly City.

Daly City can't have suitable parks and playgrounds without first acquiring land suitable for that type of development. The annexation of the area west of the city will provide us with just the type of land needed and at a very reasonable figure.

The April election was based on a two-point program concerning annexation of new residential territory and expansion of the city's recreation area. We won that election. The same interests that opposed us then are opposing us now.

It is for that reason I ask you to help in securing an overwhelming "YES" vote on Proposition B—Annexation of Westlake—on November 2.

Our joint efforts will make Daly City a real city.

Vote "YES" on B and ask all your friends to vote "YES" on B also.

Thank you,
JOSEPH SARTO
Sponsor of Colma Boys Club's Baseball and Basketball Teams.

DOLWIG RECEIVES COUNTY-WIDE AID FOR RE-ELECTION

Winding up his campaign for re-election, Assemblyman Richard J. Dolwig reported today he has visited every section of San Mateo county, and has spoken before civic and community groups in every part of the county. He added that he was highly pleased with the reception he has received, and is sincerely grateful to the thousands of voters who have volunteered their services on his behalf.

The assemblyman has met with organizations representative of every phase of county life, business, professional, labor, service and women's clubs, school and child welfare groups, explaining his work in the Legislature, and his plans for the future. As the result he has received numerous endorsements, according to his headquarters.

Among the Republicans, Dolwig has the endorsement of the Republican County Central Committee, the Republican Assembly, the San Mateo County Council of Republican Women, and the Young Republicans. Pro-America has endorsed the assemblyman, and this week he received the backing of the Five Township Clubs.

Democrats headed by Dr. J. C. McGovern, South San Francisco, have been working for Dolwig throughout the county, according to his campaign headquarters. They report a strong Democrat vote for the Assemblyman on November 2. Effective support has come from school groups, headed by Roy W. Cloud, retired executive secretary of the California State Teachers Association, the announcement adds, and professional groups have had working organizations in the field for the past two weeks.

NO. 14 TROLLEYS TO BE REPLACED BY FAST BUSES

Motor coaches will replace trolley cars on the number 14 street car line starting in January, 1949.

This was disclosed today when H. E. Cooley, assistant superintendent of transportation for the S. F. Municipal Railway, called on Police Chief W. W. Sunderland to arrange for a bus terminal in the vicinity of Hillcrest drive and Mission street.

Cooley said that during the peak hours, between 6:30 and 8:30 a.m. and 3:30 to 6:30 p.m., buses will leave the Daly City terminal every two and one-half minutes, with an average of three buses at the terminal most of the time. After peak hours, buses will leave Daly City every five minutes.

The number 14 buses will be express from Richland avenue to 11th street, Cooley said, so that passengers for Mission district stops will have to transfer to a trolley at Richland avenue.

Sunderland has referred the lation of the Daly City bus termi- al to the city council.

SAFE DRIVING

Personal responsibility in traffic accidents cannot be overemphasized, declares the National Automobile Club. The automobile can be an instrument of pleasure or tragedy — depending upon the man at the wheel. A car is not capable of hurting a person by itself. Automobiles are made by human agency and by human agency they are operated. The best driving habit motorists can adopt is to follow the Golden Rule. By driving safely we can all live longer.

Gauging Hose

Don't buy sheer hose for every day use if you expect good wear. "Denier," which refers to the weight of the thread, should be the guide; for example, heavy duty rayon stockings should have a 100 denier; everyday hose, 65-75 denier, and sheer dress hose, 50 denier. Gauge, each 1½ inch must no considered also. Buy 51 gauge for 50 denier rayon; 48 gauge for 65 denier rayon; 45 gauge for 75 denier rayon; and 42 gauge for 100 denier rayon. Be particularly careful to get higher gauge if possible, but never lower.

EAGLES BACK DOLWIG FOR SECURITY AID

October 25th, 1948
Assemblyman Richard J. Dolwig
106 Bank Bldg.
South San Francisco, Calif.
Dear Assemblyman Dolwig:

I take this opportunity, as State Chairman of the National Old Age Benefit and Social Security Committee, Fraternal Order of Eagles, appearing before Legislative committees, to thank you for your efforts on behalf of old age pension and other social legislation. Our organization is not unmindful of the services rendered by you in behalf of the aged people and other humanitarian laws.

Our organization has interested itself in commending those who have performed public service and, more particularly those who have supported the Old Age Pension Act and its amendments sponsored by the Fraternal Order of Eagles in the State of California. I assure you that our organization does commend you for your legislative support of the Old Age Pension Act and its amendments. The local Aeries in your district will make known to their members and the citizens of their community the humanitarian work and service rendered by you in the Legislature in aiding and strengthening the present Old Age Pension Act.

It is my hope that you may, through the medium of the Press and through the members of our Fraternity, as well as the Voters of your district, secure the support to which you are entitled for your untiring efforts and services rendered on behalf of the old people of the State of California. You may rest assured that the Fraternal Order of Eagles is not unmindful of your recent support and I am sure they recognize the service you have rendered.

With best wishes for your continued success, I remain,
Sincerely yours,
WM. B. HORNBLOWER
State Chairman, National Old Age Benefit and Social Security Committee, F.O.E. Grand Trustee.

Vote YES On Proposition 'B'
Annexation of Westlake

PROPOSITION B IS ENDORSED 100 PER CENT BY:
● THE DALY CITY FIRE DEPARTMENT --- ITS OFFICERS AND MEN --- THE BOARD OF FIRE COMMISSIONERS --- AND MEMBERS OF THE LADIES' AUXILIARY.

Statement of Fire Commissioners

August 5, 1948

At the regular meeting of the Daly City Fire Commissioners, the following motion was passed:

We, the Fire Commissioners of the Daly City Fire Department, go on record as being in favor of Annexation.

G. R. AUGUSTIEN
Secretary
Daly City Fire Department

Statement of Ladies' Auxiliary

ANNEXATION OF WESTLAKE BY A 'YES' VOTE ON PROPOSITION 'B' IS ENDORSED BY THE LADIES' AUXILIARY OF FIRE COMPANIES NO. 1 AND 2.

Audrey Joyce,
Secretary, Co. 1
Henrietta Ford,
Secretary, Co. 2

Battalion Chief L. C. Kennedy

"I have carefully weighed the facts of the annexation and, from my experience in the Fire Dept. work and on the experience of neighboring cities, I know that Daly City will obtain far-reaching benefits from annexing the Westlake subdivision.

"Daly City has not one full-time Fireman at the present time. Additional homes and revenue will give added fire protection and will reflect lower insurance rates, providing savings to Daly City residents.

"I strongly urge a 'YES' vote on Proposition 'B' next Tuesday."

L. C. KENNEDY
Battalion Chief, District 1
Daly City Fire Dept.

Assistant Chief A. J. Bodien

"I am strongly in favor of the Annexation of the Westlake tract, and believe it will add to the future growth and advancement of our city."

A. J. BODIEN
Assistant Chief
Daly City Fire Dept.

Battalion Chief A. C. Benassini

DON'T BE MISLED

The True Facts
The Daly City Fire Department
And Annexation

The present membership of the Daly City Fire Department is 57 active members, not 80 as falsely stated by the so-called "Study" Committee, which is composed of only three persons.

Several of these Firemen are business men in this city — the balance (like myself) are home owners and taxpayers. They all believe in annexation!

A recent survey of the National Board of Fire Underwriters stated that the City of Daly City, as it is today, requires but two pieces of apparatus to meet its requirements. Therefore the four pieces of equipment we have will be more than ample to meet the needs of Daly City and Westlake for several years to come, without any cost to the taxpayers of the present city in the way of new equipment.

If a paid Fire Department should be inaugurated, it would not be necessary to have but very few full-time men (not 80 as stated by the so-called "Study" Committee, whose ridiculous guesses say it would cost $300,000).

The following figures will show this:

City	Population
South San Francisco	15,862
San Bruno	15,178
Burlingame	18,880
San Mateo	35,712
San Carlos	13,846
Redwood City	21,981
Total Population	121,459

The six cities shown above have a total of 92 paid firemen for a population of 121,459. Even if Daly City should annex another 10,000 people, plus its present population, this would mean, at most, a total of 10 full-time firemen.

DO NOT DELAY THE WHEELS OF PROGRESS.

For a bigger and better Daly City, vote 'Yes' on ANNEXATION, and watch Daly City grow.

A. C. BENASSINI
Battalion Chief, District 2
Daly City Fire Dept.

Statement of Fire Chief J. E. Kennedy

The Daly City Fire Department has unanimously and enthusiastically endorsed Proposition 'B' on the Nov. 2 ballot. We feel it is in the best interest and absolutely necessary for the future growth and development of Daly City.

The yearly budget of the Daly City Fire Department is $19,000. Astronomical Fire Department yearly budget figures of $300,000, as put out by the misguided opposition to annexation, are absolutely false.

The authors of the opposition literature have never served in the Daly City Fire Department, and most certainly have no conception of fire department requirements for a city.

If a $19,000 budget is sufficient for 4,000 homes, it is ridiculous for them to say that 6,500 homes will require a budget of $300,000, or 15 times our present budget.

Experience of cities of like size has proved that with city growth, fire departments follow the same general trend.

A full-time driver, two or three full-time men possibly, or a small group on duty at critical hours, working with our present fire department, would give 100 per cent protection. Our present apparatus and equipment is sufficient.

With an unbroken record of 41 years of unselfish effort for the betterment of Daly City, we cannot now be accused of a selfish motive in endorsing the annexation proposition. We have endorsed many propositions in the past, all of which have been beneficial to the people of Daly City.

In 1940 we proposed and worked for the passage of the fire department $40,000 bond issue, AGAINST THE SAME OPPOSITION, INCIDENTALLY, which has given us the modern equipment and fire houses we have today.

It has also resulted in two reductions in insurance rates and returning to the people of Daly City insurance savings which have more than paid the cost of the 1940 bond issue.

I most sincerely recommend the passage of the Annexation Proposition next Tuesday.

J. E. KENNEDY
Chief
Daly City Fire Department

Mustangs Vs. S. City

(Continued from Page 1)

the organization of a Daly City Club entering an organized league. Securing the support of Frank Lombardi, the football filberts also received encouragement and support from the Jefferson Creamery, Thomas A. Tromborg, plumbing, State Sheet Metal Works, Anderson Refrigeration, Lagomarsino Realty and Daly City Auto and Tire Service.

The above merchants each contributed one hundred dollars for the purchase of gridiron equipment and have been behind the team throughout the season.

NEW COACH

Harland Ferrando, war veteran and local citizen, is the Mustang coach, and to him goes the credit for the fine organization which has integrated the squad into a scoring power.

Ferrando's version of the single wing attack became more varied as the season progressed, until the Mustangs now have a highly-polished attack and a smooth-functioning ball club that characterizes them as a good football outfit. Concentrating on football fundamentals, Ferrando hopes for a win on Sunday.

Opening the season with only three days of practice, the Mustangs won their first game against the Oakland All-Stars by a 19-0 score. They dropped their second contest to a strong Piedmont eleven, 27 to 0.

In their first league game, the Mustangs lost to Santa Rosa 19 to 7, but redeemed themselves the following week by toppling a favored Selma town team near Fresno by a 6 to 0 score.

Faltering in the stretch, the locals next dropped a 32 to 2 decision to Sunset A.C., but came back the following week to win, 12 to 6, from a vaunted Mountain View club. In that game, the Mustangs proved they have the potential to best any eleven in the California Athletic League.

Two weeks ago they held Ocean A.C. to a scoreless tie in a game that could have been won if the fates had been kind.

There you have it — not a bad record for a new team just starting out in league competition.

Sunday's Big Game against South City looks like a toss-up, and line play will probably be the deciding factor. The Windbreaker line has been conceded the edge, but Ferrando is pinning his hopes on forwards like Cossalatta, Dawe, Frances, Morgan, Bermudez and Cross to play an inspired game. Improved play by Ken Martin at tackle and end Bill Fisher should also bolster the Mustang chances.

In the backfield, running and passing by Bob Plyer and pass receiving by Chuck Christian and Bob Grimes, with the defensive play and blocking of Al Pettigrew, should provide trouble for the blue and white clad Windbreakers. Red Austring's line plunging will also be a big item in the Mustang offense.

The Record's Recommendations

(Continued from Page 1)

self-interest. Every thinking citizen should vote 'Yes' on Daly City Proposition 'B.' Annexation will make Daly City a better city in which to live and work and will not cause higher taxes. The people as a whole will gain by annexation."

Councilman Fred Bertetta: "Daly City has had six annexations, two of them completed this year, and none of them caused expense to the city nor aroused any opposition. None of these annexations was accomplished under conditions as favorable as the Westlake Annexation. Four years ago, those few who now oppose annexation ran an election campaign advocating a bigger and better Daly City. To oppose annexation now is political double-talk, and the people will not be fooled by would-be political bosses."

Councilman Edward J. Mooney: "Do we have enough parks? Of course not! Why don't we have enough parks? Because during the time the few opponents of annexation were in office they failed to use foresight and plan the development of the city. Your present city council is determined to make Daly City a better place to live, by using a program of long-range planning. A 'Yes' vote on Annexation is best for Daly City, and what is best for Daly City is best for the people."

ST. MICHAEL'S CHURCH TO HAVE FALL THEME FOR HARVEST DINNER

An autumn theme complete with fall colors will be used in decorating the parish hall for the Harvest dinner of St. Michael's Church, 32 Broad street, November 7. The affair will begin at 5 p.m. and last until 7:30 p.m.

Co-chairmen of the affair are Miss Yolanda Bernardi and John McCarrich. Rev. Edmund Kenney is the honorary chairman. In charge of the devotions will be Rev. Father William Woerner. Pat McGuire will handle the financial end of the dinner with Clem Zarcove as the publicity chairman. Directing the servers will be Miss Young.

Handling the kitchen and cooking will be Mesdames Mary Dunne, G. Bernardi, Snivs Pechetti, Kay Carroll, Dorothy McCarrick, Elva Neenan, Mary McKenna, F. Buckholz, Mary Hanley, T. Giblin and the Messrs. John Carroll, Charles Cordes, Tim Curtin, Fred Blum, John Murry and John O'Connell.

The dinner is being sponsored by the Holy Name and Immaculate Conception Sodality.

TWO DALY CITY GIRLS IN PORTOLA PAGEANT

Among the participants in the Portola Pageant "The Shining Trail" were Misses Regina and Lauretta Warchot, daughters of Mr. and Mrs. Lewis Warchot of 3297 San Jose avenue.

The pageant was presented by the California Centennials Commission and San Francisco City and County.

put to great expense in administering traffic on Junipero Serra.

Daly City will then be known as "the wrong side of the tracks."

However, if Westlake IS annexed, the traffic will be the same, but the 2500 homes in the new district will pay direct taxes to Daly City, which will more than offset traffic administration costs.

The annexation of Westlake is a natural step in the progress of the city.

The land is contiguous to our present city limits.

Annexation WILL NOT increase taxes.

Daly City will receive more tax money by annexation and your city will be a better place in which to live and work.

A specialist from the State Recreation Commission has inspected the proposed park site in Westlake and has commended the council for choosing a natural playground area.

2,500 additional homes in Daly City will broaden the tax base and help relieve the burden on the present residents.

Let Common Sense prevail.

Vote "YES" on PROPOSITION "B," the last item on the baliot.

ENGINEERS' PLANS FOR SCHOOL ST. CROSSING SIGNALS ABOUT READY

Plagued by repeated requests for immediate action by city officials, engineers of Joint Highway District No. 10 Tuesday promised that detailed plans for installation of traffic signals and other traffic safeguards at Junipero Serra boulevard and School street would be completed within a few days.

The crossing has become increasingly dangerous with the development of Broadmoor Village and the opening of new business establishments near the intersection.

Initial improvements will cost approximately $10,000, according to engineer's estimates, with the city paying half of this cost. Besides the conventional traffic signals, a curb will be installed preventing automobiles from entering northbound Junipero Serra traffic from Garden Gateway.

Mother Critically Ill

Vince Merlo, proprietor of Gelsi's Cavern and Liquor store, left Monday for Genoa, Italy, to visit his mother who is critically ill.

Merlo is expected to return in about 30 to 60 days.

Drunk Driver Released on Bail

John Kenneth Cummings, 537 Rosedale, Santa Rosa, was released on $75 bail after being arrested by Daly City police for driving under the influence of liquor Monday.

Cummings and a companion, Don E. Moore, 106 Jules avenue, were speeding on Los Banos avenue when the car driven by Cummings jumped the curb at the intersection of Los Olivos and Santa Barbara.

Cummings will come before Judge William Sweeney Friday. Moore was not held.

Sunshine Club To Meet

The Sunshine and Sewing Club will meet at 1:30 p.m. November 16 at the home of Mrs. William Chessman, 1642 Sweetwood drive.

A 25 cent charge will be made for refreshments. Those planning to attend are asked to call JUniper 5-7325.

TANFORAN OPENS FOR FALL MEETING

(Continued from page 1)

The beautiful infield of colorful flowers and five picturesque lakes, the large shed-style paddock conveniently adjoining the grandstand, bright new color schemes and attractive interior decorating, added free seating and increased parking space are also among the new or improved features which the management has provided to establish the 1948 Tanforan outstanding in every respect.

The Describer, a patented device which flashes the numbers of the first four horses on the tote board progressively throughout each race, is among the innovations to be presented at the Tanforan meeting. While Public Address Announcer Hal Moore calls the order of all participants at the various stages of the race, the Describer will concentrate on the first four and post their constant position from starting gate to finish line.

Racing Secretary Barry Whitehead predicts a great field of handicap sprinters for the Peninsula Stakes, which will be contested over the six furlong route. Entries will be announced next Monday.

VFW AUXILIARY FETES EX-OFFICERS FRIDAY

Past Presidents and Past Commanders Night was held by Old Glory Auxiliary No. 2044, VFW, Friday night. An official inspection was held with Mrs. Martha Schmitt, state president, examining the books.

Four members were initiated. They were Jean Olsen, Mary Conci, Dorothy McKittrick, and Helen Rode.

Tables were decorated by Bonnie Ellenwood. Florence Kashaba was chairman of the refreshments.

Guests included Mesdames Toni Leist, Frances Farr, Alice Folks, June Mundsen, Pearl Gutchell, and M. I. Allen. The latter is a past president of Old Glory but now belongs to the Stockton Auxiliary No. 52.

Eastern Star Chapter To Elect New Officers

Officers will be elected November 1 by the Crocker Chapter No. 382, Order of the Eastern Star. The meeting will begin at 8 p.m. in the Masonic Temple, Mission and Hillcrest.

Committee in charge is Agnes Chestnut, Annie Morton, Louise Eliasen and Maude Hanselman.

Programs On Books Given in Palo Alto

For the past three years Mrs. Howard C. Ray of Palo Alto, state chairman of Home Reading and Library Services in the California Congress of Parents and Teachers, has conducted adult education courses on the "Guidance of Children's Reading. She, with the aid of members of the Palo Alto Public Library staff, has prepared book lists and arranged book exhibits for these meetings.

Convening at the South Palo Alto Public Library branch, parents and others interested in children's books, attend and enjoy these programs. Such an active interest has been shown that these classes have been repeated from year to year.

Mrs. Ray, the instructor, invites anyone interested in them from the Seventeenth District to join and enjoy these programs. The course for this year will soon close. However, two meetings are still to be held—one on the subject "Books for Various Ages" and "Reading Can be Fun." These last two programs will be held on Friday, October 29, at 9:30 a.m. in the South Palo Alto Branch Library in Mayfield.

Vets Not Required To Pay Agents On Claims

Veterans in San Mateo county are not required to pay attorneys or agents for representing them in presenting claims to the Veterans Administration for government benefits, they are reminded by Floyd D. Granger, veterans service officer.

In fact, Granger said, anyone who attempts to collect from a veteran any fee for such services is exposing himself to penal provisions of federal laws. A nominal fee is payable only by the VA itself at the time the claim is allowed.

Mr. Granger pointed out that complete counseling and claim-processing service is made available free of charge to veterans by San Mateo county, through the Veterans Service Office at the courthouse, Redwood City. Veterans or their dependents who have any problem relating to disability compensation, GI Bill subsistence, on-the-job training, National Service Life Insurance, or any other of the numerous rights and benefits to which they may be entitled were invited to take advantage of this service.

News Column From S.M. Jaysee

The football team of the San Mateo Junior College will play host to the San Bernardino College eleven this Saturday afternoon, with the game scheduled for 2 o'clock on the San Mateo High School field. The two colleges have met three times in the past with San Mateo winning each time. San Mateo will start its regular line-up, depending upon a strong running attack and a passing attack built around two quarterbacks for victory.

Seven students will attend the state conference of junior college officers as representatives of San Mateo jaysee. Reedley College will be the host, with the meeting taking place in Fresno early in November with 55 junior colleges being represented.

Enrollment in the college evening school, the adult center, is at an all-time high for this season of the year, and more students are registering daily for the 70 sections offered the men and women in evening classes.

Frank Griffin of Redwood City, who visited Europe last summer, will give an illustrated lecture at the Community Hall meeting next Monday evening. He will show color movies of his trip through western Germany. The public is invited to the program which will start at 7:30 in the college auditorium.

VOTE "NO" on ANNEXATION

VOTE "NO" ON ANNEXATION!! VOTE "NO" ON ANNEXATION!! VOTE "NO"

The proponents of annexation make this claim: "For Less Taxation Vote 'Yes' Annexation." This sounds very good on paper or on advertising matter but, is this merely theoretical or is it really factual? We can best be guided as to it being an actuality by the experience of the cities closest to us who have already gone through this procedure since the war.

In one of these cities that has done the most annexing this is what happened. The tax rate was raised, the assessment roll was increased 15 pct. in 1946, business licenses were increased, amusement devices were taxed, with the console type licensed at $500 per year and, in addition, parking meters were installed. A uniform san Mateo County sales tax was encouraged, but through the objections of the merchants of Burlingame and San Mateo this was turned down by the cities.

In another city that had annexed a smaller parcel, the tax rate had not been raised. The assessment roll was increased by 20 pct. last year, business licenses raised from $10 to $25 per year and parking meters were being discussed. This city, however, is in better shape since the war due to the re-opening of the race track and the revenue it receives therefrom.

Another city that annexed a small parcel of land by the Skyline Boulevard at the extreme westerly boundary of the city found that it cost more to provide government for this section than it did for a section many more times larger in the area located in the original city.

Another city with a lot of annexation experience had to make a re-appraisement of its assessment roll from $28,000,000 in 1946 to $45,000,000 (forty-five million dollars) to meet the added cost.

The majority of the present City Council would accept annexation on practically any terms. They, and the water department will tell you that we will make money from the system and that it will reduce water rates. Imagine selling you this malarky of making so much money on the utility when there has not been a reduction of water rates since 1917. Your tax bill will show you that you are paying for a water works reserve fund which same should have been and should now be built up from the profits, and to top it all off it was even proposed that the free garbage disposal be done away with.

To some people, who are in office, the being in a larger city adds greatly to the prestige of their office and title. Why should the people have to pay for some one else's vanity?

We have at the helm of our government the same person who thought that $7,500.00 (seventy-five hundred dollars) was too much money for the city to pay for the 8 acre quarry site from the Market Street Railway although at the time ample city money was idle in the bank with no way to spend it. Today his administration is planning to run Brunswick Street through this property. The right of way for this street property alone will run around $25,000. What we need in our government is a little foresight and common sense to help ourselves, without going out on a limb for others.

Protect your interests, Vote "NO" on the Westlake Annexation.

George Kirchhubel

IT'S TIME FOR A CHANGE

AT THE COUNTY COURT HOUSE

WHAT AUTHORITIES SAY ABOUT SAN MATEO COUNTY GOVERNMENT

"In San Mateo County, the RECOGNIZED PRINCIPLE of making the county executive an appointive official responsible to the county board is not being currently observed."

"County Government Organization In California", Bureau of Public Administration, University of California.

"It appears to have been the intention of the People of San Mateo County that coordination of County Business and resulting efficiency was to be obtained by creating the office of County Executive under the Charter. IF THAT WAS THE INTENTION, THE RESULTS OBTAINED ARE SAD INDEED."

Official Report of the 1946-47 San Mateo County Grand Jury

"The responsibility of department heads has been divided between two elective authorities, the Board of Supervisors and the County Executive. Inasmuch as neither authority considers itself subordinate to the other, there has resulted AN UNTENABLE TWO-HEADED ORGANIZATION PATTERN."

From the Official Report of the Survey of the San Mateo County Health and Welfare Department, by the Public Administration Service, 1947

WHAT COUNTY PROPOSITION "A" IS ALL ABOUT!

In 1932, San Mateo County citizens adopted a new Charter providing, among other things, for appointment of a County Executive by the Board of Supervisors.

In 1937, with only 25 per cent of the small number of registered voters then in the County taking the trouble to vote, the office of County Executive was made elective.

That gave the County two elected heads—the Board of Supervisors and the County Executive. Neither has been willing to give ground to the other and the County government has been a battleground between them ever since.

The County's affairs have, naturally, suffered. Efficiency has been lost sight of. Many desirable activities have been deadlocked due to this duel.

Eleven years of this strife and discord is enough. The County cannot go on this way. There are now nearly 250,000 residents in San Mateo County and their County governmental affairs demand the utmost in economy and efficiency.

County Proposition "A" proposes to eliminate the conflict and confusion and restore orderly government in San Mateo County by providing for appointment of a County Manager by the Board of Supervisors as the Charter originally intended.

Under the terms of County Proposition "A," a County Manager will be chosen through civil service processes and will be responsible to the Board, your elected representatives. Straight-line democracy in action!

It's as simple as that. No plot. No personalities. The Citizens Committee for Better County Government is campaigning not against the **man**, just against the **muddle** in County affairs.

Eventually, San Mateo County must improve its unique two-headed form of government, only one of its kind in the United States. EVENTUALLY, WHY NOT NOW?

S.F. Area Has More Than 414,000 Telephones Now

San Francisco, with more than 414,000 telephones, leads all other cities in the world in the number of telephones per capita, with 45 for every 100 persons, according to Lyle M. Brown, division manager for the Pacific Telephone and Telegraph Company. In San Francisco, Brown said, the number of telephones has increased 135,000 in the last ten years.

During the last ten years, the number of telephones in service on the Pacific Coast has doubled, with a quarter of a million new instruments in 1948 bringing the total to 3,659,000.

Brown added, "More than a million of the 3,659,000 telephones were added since V-J day, reflecting tremendous development of this coast. Construction expenditures today are running at the rate of a half million dollars every day."

PRICE ERROR

Through an unavoidable typographical error in last week's King's Market ad appearing in The Daly City Record and Daly City Shopping News, Brugal Superior, 86 Proof Porto Rican Rum was advertised at $2.07 per fifth.

The correct price should have been $2.97 per fifth.

The United States has used Standard Time since 1883.

Authorized strength of the Corps of Cadets at the U. S. Military Academy, West Point, is 2496.

A "gale" is a wind that blows from 39 to 54 miles per hour.

San Francisco has an average annual rainfall of 22 inches.

HI-LITES AT S. F. CITY COLLEGE

By Frank Galo

Tri Epsilon

The Tri Epsilon fraternity was organized in 1937, two years after SFCC was founded. The organization is invitational by nature with only the highest type of student extended invitations.

Leaders of this outfit are Jack Sommers, president; Jerry Del'osso, vice president; Steve Mayfield, secretary; Bill Wagner, treasurer; and Herb Levy, press agent.

The organization has been responsible for nine Associated Student presidents in ten years, while some 32 members of the Student Council have been elected from this fraternity. Of the last three editors of the Guardsman, college newssheet, two have been Tri Epsilons.

In the athletic field, Tri Epsilon is leading the intramural basketball league with such outstanding players as Roy Pasini, Lloyd Fergurson, Jack Sommers, George Capanis, and Herb Levy.

Many thanks to Herb Levy for taking time out to hand out this information to this reporter. Levy, ex-Lowell grad, is considered as an all-time great when it comes to writing in the annals of the Guardsman history. At present, the handsome Levy is editor-in-chief of the college scandal sheet. A great future is expected from this Student Council member.

Football

The rollicking Rams entertain East Los Angeles City College Friday night at the Lake Merced field.

Coach Grover Klemmer's charges take an unblemished in five starts thanks to the fine work of Ollie Matson and a great supporting cast.

Last week the Rams trounced their rivals, San Mateo JC, to the tune of 26-0. The locals jumped to a 6-0 lead in the first period when Bob Toquinto heaved an 18-yard pass to End Don Stillwell. Previous to that, Ollie Matson had run 59 yards to a touchdown, only to have it nullified. By half time, the Rams held a comfortable 20-0 lead as Toquinto passed to Matson from the 12 for one score and Julian Bala reeled off a 56-yard touchdown sprint for the other. Toquinto added the extra point.

The second half saw a bitter line battle waged with Earl Toller, Don Morettini, and Neil Gunn distinguishing themselves. The only tally in the second half was scored late in the third quarter when Matson rambled 38 yards into the end zone after eluding four would-be tacklers three yards from pay dirt. The kid is just great. No more can be said.

Looking good in the San Mateo game besides those already mentioned, was Ray Gilford, who almost broke into Matson's limelight.

Proceeds of the game went to the Damon Runyon Cancer Fund.

Dis an' Dat

Scheduled for tonight is the Block SF's dance followed by tomorrow evening's Newman Club shindig.

Ardele Healy, one of SFCC's drum majorettes, is the State champion drum majorette. The ex-Balboa lassie led both of the Portola parades.

The soccer team remained undefeated although they had to settle for a 1-1 tie with USF.

Intercollegiate debating competition is planned with San Francisco State, University of California, USF, and St. Mary's.

Last thought: Happy Jack-o-lanterns to you from the land of Red and White — SFCC.

Gatun Lake (Canal Zone), with the water at its normal level of 85 feet above sea level, has an area of 163.4 square miles.

TWO G-E CLEANERS for only $94.90

The "Tidy" $39.95
The "Tall" $54.95

The "TIDY"—Imagine a cleaner so compact, so lightweight—you can sling it over your shoulder like a shoulder-strap bag! Or . . . pull it along the floor with effortless, gliding ease.

The General Electric "TIDY" is a brand new kind of "above-the-floor" cleaner. Only 14 inches long—but oh, what concentrated power and efficiency. It cleans upholstery, lamps, draperies—dusts walls, stairs—sprays liquid de-mothing solutions, cleans Venetian blinds—all with a "reach-easy" convenience.

It's the PERFECT PAIR for... all your housecleaning needs

The "TALL"—A handsome, streamlined, motor-driven brush model. Styled to match the "TIDY," this General Electric Cleaner is specially designed for cleaning rugs. It's a marvel of ease and efficiency.

Tufted brush combs and sweeps—coaxes out dirt quickly and gently.

Spring-suspended wheels automatically adjust the nozzle to ideal cleaning height for any thickness of rug pile.

Handle locks in upright position, or can be lowered for under-furniture clearance.

Quiet, powerful motor. Spotlight searches out the dust. Easy-to-empty bag.

The Administration and the EGG!

First it was potatoes. With other prices going sky high, the question was, why doesn't the lady with the flattened purse serve more potatoes? But the price of potatoes are high too.

But didn't that press dispatch a few days ago say there was a bumper crop of spuds? *It did and that's the point.*

The administration-support program is designed to keep prices high even when there is a crop surplus.

But if we can't have more potatoes, surely we can have more eggs. With ordinary hamburger (we used to feed it to the cat in the good old days) at $1.10 a pound we should be able to have eggs dished up in a lot of appetizing ways. But eggs were selling yesterday at the corner grocery store at 95c a dozen and eggs that were not so good at 79c a dozen.

BUT—you ask, isn't there a surplus of eggs just as there is a surplus of potatoes? The answer is YES.

Sure there is a surplus, but have you forgotten the government-price-support-program? That's why a lot of prices are high. And it is the reason prices will go still higher.

All through the midwest states there are thousands of farms with large flocks of laying hens. And the agriculture department has guaranteed to keep egg prices from dropping below 90% of parity. Because of the big surplus the wholesale market price of eggs has been sagging. Recently prices hit 90% and dipped below in wide areas of the Midwest. That was when the government egg buyers went to work. Up to yesterday afternoon they had purchased 2,866,834 cases (with 30 dozen eggs to the case). Some omelet! And the government has paid out over $28,000,000.00 for those eggs.

The Secretary of Agriculture says, "So far we have gotten rid of 3,175,000 pounds of these dried eggs. We have donated them to school lunch programs and the like. It is possible that we may sell some of these dried eggs later."

There it is Mr. Voter—the old old story. You pay more tax money to make certain that you will have to pay more money for your food. Sure the administration planners who worked out this dizzy scheme said that it would have many advantages. But they failed to tell you that their scheme would make food prices higher in times of food abundance.

It boils down to this—Our government is honeycombed with this kind of efficiency. People who don't know their hat from a hole in the ground are running our government. And there is only one way to get rid of them. Vote the crack-pots out of office and let's get some common sense in our government.

RECLASSIFIED

The saying which classifies pedestrians as "the quick and the dead" had merit in the earlier days of motoring when pedestrians were less protected by traffic controls and crosswalks, but nowadays a more accurate classification would be "the alert and the dead," says the California State Automobile Assocation.

XMAS SEAL CAMPAIGN TO START ON NOV. 22

San Mateo county's Tuberculosis Christmas Seal campaign for 1948 will officially open on Monday, November 22, with a minimum quota of $42,500 as the goal set for the all-county mailing and hundreds of volunteer workers.

Setting of the quota was announced today by seal sale chairman Bradford M. Melvin who said the amount arrived at after four weeks of intensive work in cutting the budget of the association to absolute minimum requirements.

CHAMOIS FOR LIGHTS

For many motorists, this is the season to buy the equipment with which the car is kept clean—chamois, sponges, cheesecloth, and the like. In making such purchases, points out the National Automobile Club, it is an excellent idea to get a small piece of chamoise that will be used exclusively for the headlight lenses. That used on the body may become gritty and result in a scratched surface.

The Inside Story of a Good Egg

To really know how good an egg is you have to know what's inside. How can you know that? Very simple. Just look for the grade on the carton.

Grading is done by experts who look inside each egg with a strong light and compare what they see with government standards. Eggs that meet the standards are labeled Grade A, Grade B, and so on. Eggs whose quality does not measure up are discarded. Grading is your most reliable guide to quality.

Every egg we sell is graded. And to protect their quality we take special care to keep them cool. That's why you will find eggs in the refrigerator at the store.

Grading plus special care means you can be sure of quality eggs every time at Safeway. Try them.

Veterans Weekly News Column

There are approximately 415,000 veterans of World War II in the Veterans Administration Branch 12 area (California, Arizona, Nevada and Hawaii) who have retained their National Service Life insurance, Veterans Administration reports.

One of the most important things for veterans to do about their G-I insurance is the naming of a beneficiary or beneficiaries of their policies, VA points out.

Unless a veteran gives this matter thoughtful consideration, he may fail to get the most out of his insurance. For instance, if no beneficiary is named, the policyholder may be risking a financial loss to his heirs. Up to August 1, 1946, it was not absolutely necessary for the veteran to name primary and contingent beneficiaries because the law provided for payment of the insurance to legal heirs in a specified order. Now, however, if the veteran dies without naming a beneficiary, or if the beneficiary should die before the policyholder, the insurance will be paid in a lump sum to the veteran's estate.

If this happens, and the insurance becomes part of an estate it is subject to all the laws governing estates, including claims of creditors, administrators' fees and court expenses. Thus the veteran's heirs might easily lose some of the insurance money which they might otherwise have received.

On the other hand, if the veteran names a specific beneficiary and the insurance is paid to him or her, it is exempt from taxation and from claims made by creditors. The money is not liable to attachment, levy or seizure under any legal process, either before or after receipt by the beneficiary. The only exception to this rule is that the U. S. government may make claims against the insurance.

Hence, veterans can protect their heirs against possible financial loss by naming a beneficiary, and they can add to that protection by naming a contingent beneficiary to whom the insurance is to be paid if the first beneficiary should die without receiving the money.

Question: I am a World War I veteran and was discharged from the U. S. Army in 1938. I would like to know if I am eligible for the education, readjustment allowance and guaranty loan provisions of the G-I Bill?

Answer: No. Benefits of the G-I Bill are available only to World War II veterans.

Danny Thomas, Karin Booth and Robert Preston are three of the principals in the cast of headliners seen on the Crest screen Friday and Saturday in the new M-G-M comedy-drama, "Big City." Other featured names include Margaret O'Brien, George Murphy, Edward Arnold and Butch Jenkins. The new picture also marks the first screen appearance of Betty Garrett, Broadway musical-comedy star, and Lotte Lehmann of the Metropolitan Opera Comany

RED CROSS CHAIRMAN

Announcement of the appointment of Mrs. John N. Willman, 20 East Poplar avenue, San Mateo, as volunteer chairman of public information for the San Mateo County Chapter, American Red Cross, was made today by William Hendrickson Taylor, chairman of the local Red Cross.

Formerly superintendent of the Children's Hospital in Birmingham, Alabama, and a member of the American College of Hospital Administrators, Mrs. Willman has long worked closely with the American Red Cross. In her new duties for the local chapter, Mrs. Willman will be responsible for keeping the public informed on Red Cross activities in the chapter area through the media of press, radio, window displays, and participation in special community events.

GRAND NATIONAL AT COW PALACE

A solid three hours of fast-moving, thrilling entertainment await spectators at the Grand National Livestock Exposition, Horse Show and Rodeo which opens in San Francisco's huge Cow Palace Friday evening for a ten-day stand.

All the color and pageantry of the old West blended with modern martial music will feature the mounted Presentation of Colors which will open each of the ten evening and four matinee performances of the Grand National.

Then, following rapidly on the heels of one another, will come events of the International Rodeo Association Championship Finals—bucking broncs and Brahma bull riding, steer wrestling, calf roping—and horse show classes with proud three and five gaited horses, hunters, pumpers, roadsters, Hackney ponies, stock and parade horses.

In being designated the International Rodeo Association Championship Finals, San Francisco becomes the scene of the official World Series of this bone-jarring native Western sport. The I.R.A. is the organization of more than 100 very top rodeos of the West including Salinas, Cheyenne, Pendleton, Lewiston, and Calgary.

SAFE SPEED

A safe speed, declares the National Automobile Club, is the speed that takes into account the condition of the car and highway and the ability of the driver himself.

Commercial Fishing Is Huge Industry

On the opening day of the sardine fishing season, commercial fishing, California's fourth largest industry, contributed 10,000,000 pounds of food to the nation's supply. The first boat in unloaded a catch of 750,000 pounds.

The California fishing industry produces 75 per cent of the natural Vitamins A and D for the country and approximately 90 per cent of the fish meal used in commercial feeds to provide protein balance for livestock and poultry.

The entire population of American Samoa is under the medical care of the U. S. Navy, there being no practicing doctors or dentists there.
